

# CERTIFICATE

This is to certify that

## Q-DAS GmbH

Eisleber Straße 2  
69469 Weinheim  
Germany

with the organizational units/sites as listed in the annex

has implemented and maintains a **Quality Management System**.

### Scope:

Development and distribution of standard software and solutions for the calculation, visualization and communication of (quality) statistics in industrial production. Application consulting service as well as installation and configuration of the software products. Introduction into how to use the software and provision of specific software training. Support and maintenance of the systems installed.

Training for application and handling of statistical software including the related statistical know how. Training and consulting in the field of management systems, related tools, methods and software application.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

## ISO 9001 : 2015

Certificate registration no.	002189 QM15
Date of revision	2018-03-07
Valid from	2016-05-06
Valid until	2019-05-05
Date of certification	2017-03-27

## DQS GmbH
